- ❖ July Trainings consisted of Fireground SOG Review, Structure Fire Scene Size Up, Hose Stretches, and OB/Trauma Simulations (put on by UC Health).
- ❖ FTFD Participated in 9 public Relations events in July including a “Movies in the Park” behind Station 211 on 7/17 and the Butler County Fair the week of the 21<sup>st</sup>. FTFD personnel provided EMS for the Fair, and our FTFD Fire Corp operated our Safety House during the evening hours. Saint Clair Twp. FD also assisted us with providing fire protection at the Fairs Grand Stand events all week long, we would like to extend a huge thank you to them for once again helping us out this year.
- ❖ FTFD received (6) new Life Pak 35 monitors. We are currently waiting on some of the accessories to come in before training our crews and placing those units in service.
- ❖ Our new scheduling software platform (Vector Solutions) has been built. Captain Peters trained our staff on the new software in July, and the department started utilizing it August 1<sup>st</sup>.
- ❖ We continue to work on building the Lexipol and Fleetio software. These 2 programs will be utilized for SOG’s and tracking Vehicle Maintenance/Checks.
