- ❖ September Trainings consisted of RIT training, vehicle stabilization, airway (EMS), and fire suppression systems.
- ❖ FTFD Participated in 6 Public Relations events in September. Two of the PR details involved reading fire safety books to the 1st graders at Fairfield East and North Elementary. This is a new program we started this year, and it is being done in conjunction with Fairfield City Fire Department. We also held our Annual Patriot Day festival, which went great! A huge shout out to all Township Employees and Departments that assisted! FTFD started a new chapter of "Fire Buddies" and we are the first chapter in Ohio!!! Fire Buddies is an organization that focuses on helping critically ill children within our community, if you would like more information on this please contact Captain Peters.
- ❖ The 4 Captains finished their Blue Card incident command training. This was an online class, and upon completion of the online portion the Captains went to Miami Twp. (Hamilton County) Fire Department for 3 days to complete the cert labs.
- ❖ Our new LifePak 35 heart monitors came in and have been put together. We will be training on them soon before putting them Inservice.
